

PAPER WREATH ARTKIT

**DESIGNED BY OAKWOOD'S 2023 ARTIST IN RESIDENCE:
RAVEN NICOLE SMITH**

Supplies: Paper Plate, Paper- Red, Orange, Green, Brown, Glue, Scissors, Ribbon, Leaf Stencils

Steps:

- Take your paper plate and cut out the inner circle. (It helps if you fold your plate in half then cut a semi-circle).
- Cut a hole in the top of your wreath and put your ribbon through. Tie a loose bow.
- Cut out your leaf stencils and trace as many as you want on your colorful paper. The more the merrier!
- Decorate! Glue your leaf cut outs all around your plate wreath. Try to cover the entire plate.
